PJ Monson informed the Committee that she is looking for certain criteria when evaluating credentials. For Certified General – 3 reports are required – with all three approaches and should be Narrative. For Certified Residential – 3 reports – 1 report with departure, 1 report with all three 3 approaches. All should also be within the last 18 – 24 months.

Ms. Monson also brought up the issue of time that should elapse before one can reapply after denial. It was advised by legal counsel that the applicant has the right to reapply immediately following denial and should not have to wait a period of time before reapplying.
